ONCE UPON A TIME
THERE WAS A KING WHO
WAS NOT AS HAPPY AS KINGS
ARE SUPPOSED TO BE
HE SUFFERED FROM HEADACHE,
INDIGESTION, BILIOUSNESS
AND AN INACTIVE LIVER,
AND OFTEN ASKED HIMSELF
THE QUESTION—

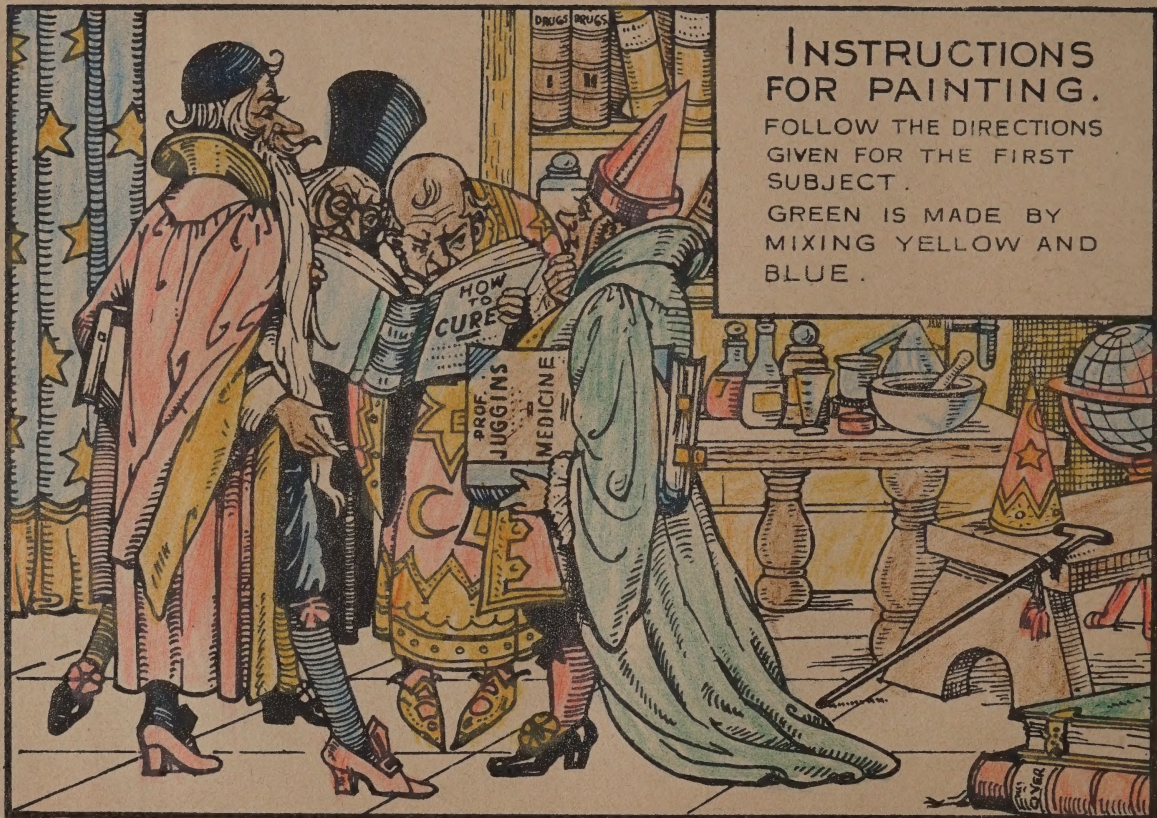

Is LIFE WORTH LIVING?

INSTRUCTIONS FOR PAINTING.

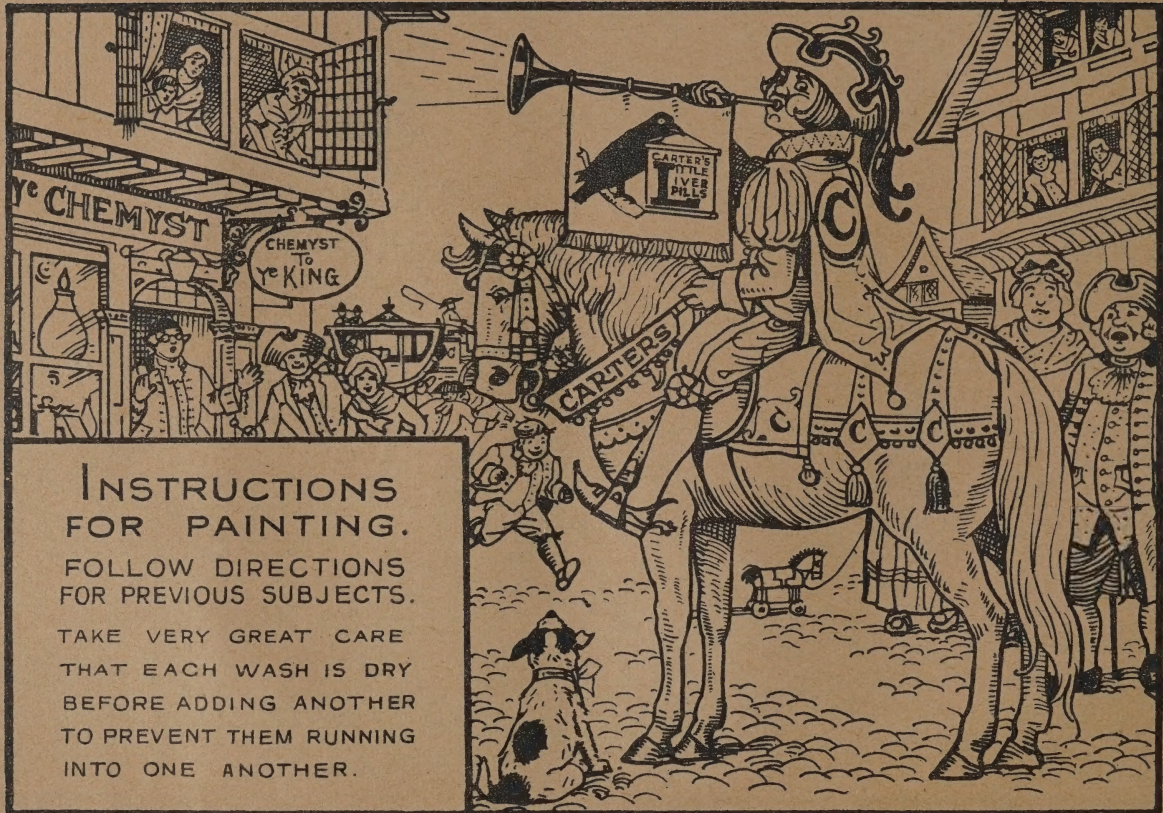

FOLLOW THE DIRECTIONS
GIVEN FOR THE FIRST
SUBJECT.

GREEN IS MADE BY
MIXING YELLOW AND
BLUE.

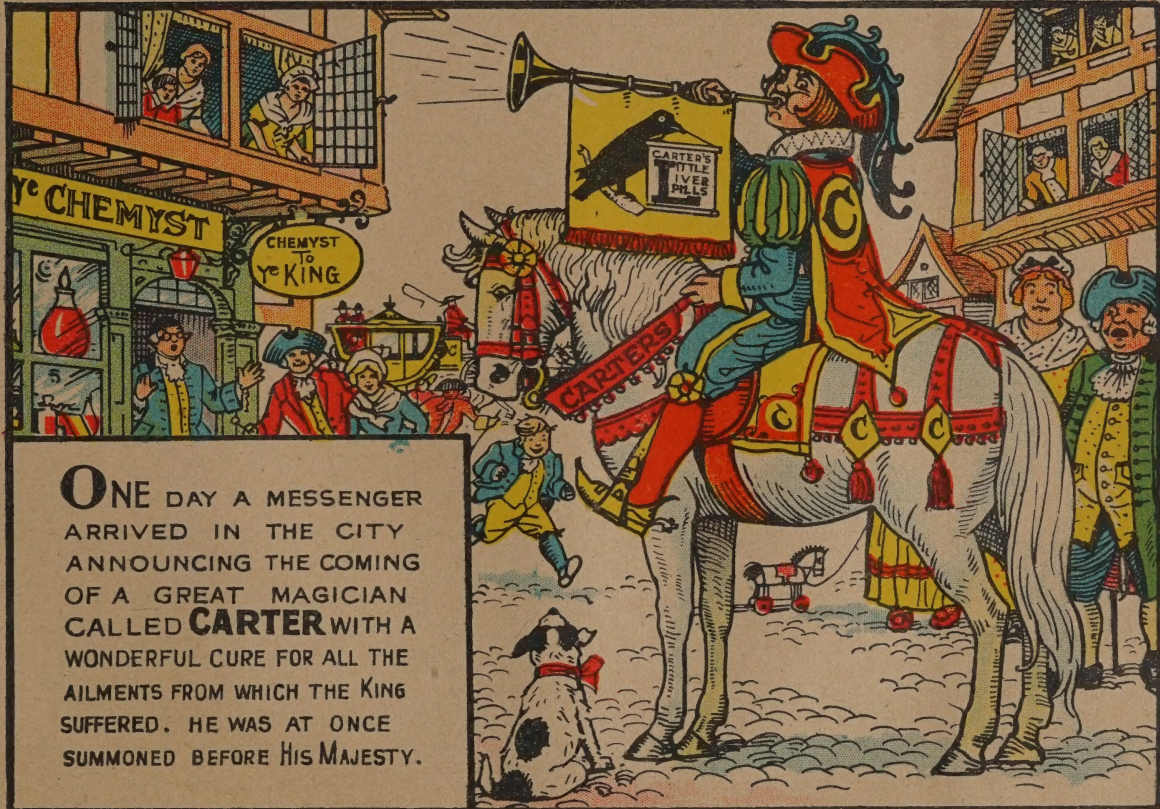

THE KING'S PHYSICIANS, WISE MEN, ETC. MET AND TRIED TO FIND A CURE. WATERS, VOWS, OFFERINGS AND VARIOUS MEDICINES WERE TRIED, BUT WITHOUT AVAIL, AND THE QUESTION ON THE TONGUES OF ALL WAS: —
"WHAT WILL CURE THE KING?"

INSTRUCTIONS FOR PAINTING.

FOLLOW DIRECTIONS
FOR PREVIOUS SUBJECTS.

TAKE VERY GREAT CARE
THAT EACH WASH IS DRY
BEFORE ADDING ANOTHER
TO PREVENT THEM RUNNING
INTO ONE ANOTHER.

ONE DAY A MESSENGER ARRIVED IN THE CITY ANNOUNCING THE COMING OF A GREAT MAGICIAN CALLED **CARTER** WITH A WONDERFUL CURE FOR ALL THE AILMENTS FROM WHICH THE KING SUFFERED. HE WAS AT ONCE SUMMONED BEFORE HIS MAJESTY.

A MESSAGE TO PARENTS.

Is Life worth living?

YOU are master of yourself—why be handicapped? Promote a healthy appearance—keen eye—clear skin—clean breath—active brain—and be a leader among your fellow men.

That tired—fagged out—lazy, grumpy feeling—headache—biliousness—sleeplessness and general depression are due to a lazy liver.

Carter's Little Liver Pills will stimulate the liver and put the stomach and bowels in a healthy condition. They are small—purely vegetable—sugar coated—easy to swallow. The small size bottle (1/3) is convenient to carry in the vest pocket or handbag. May also be purchased in the Household size large bottle (3/-), which is greater economy for family use, as they contain more than 3 times the 1/3 size, and in addition you save 9d. These pills are Dr. Carter's own formula, and are sold and recommended by chemists the world over.

SICK HEADACHE & BILIOUSNESS.

Many people suffer from headache, giddiness, spots before the eyes, ringing in the ears, mental depression, sick headache, bad breath, coated tongue, constipation, acidity, and other kindred ailments that make life miserable.

Carter's Little Liver Pills have been taken and recommended for 50 years as a relief for a bilious condition; they move the bowels in a mild, gentle manner, and

It depends on the liver!

their action eliminates the sour and gas condition and, so to speak, they "sweeten the stomach." The taste in the mouth improves and they give a general tone to the system.

INDIGESTION & FLATULENCE.

Why suffer with Indigestion—one of the most common intestinal ailments of mankind?

It affects people differently; some complain of heartburn, abdominal pains, sick headache, sour and acid stomach and distress after eating.

The most distressing condition is "Gas pressure, due to indigestion," which frightens the sufferer, who lives in constant dread of heart trouble. Gas accumulates, presses against the heart and retards the measured heart beat.

All the above conditions can be relieved by **Carter's Little Liver Pills**, which move the bowels gently and cleanse the intestines of waste matter, thereby reducing the gas pressure and allowing the system to function as nature intended.

FOR THE CHILDREN.

Children also have their little worries and pains. They often suffer from the result of over-eating, fondness of sweets, constipation, feverishness, chill on the liver, etc. All these, however, are relieved and prevented by an occasional dose of **Carter's Little Liver Pills**.

Be sure you get Carter's the original genuine Liver Pill. Don't accept substitutes. Demand Carter's Little Liver Pills. Look for the signature Brent Good on every package.

They are tiny, sugar-coated pills, easy and pleasant to swallow, and just the thing for the little ones.

Carter's Little Liver Pills are splendid to regulate the bowels—clear the tongue—take away the feverish breath—dispel irritability—and stop the little head from aching. One "CARTER" is a full dose for a child from 3 years to 7 or 8 years old. Older children may need two—but try one first.

IMPURE BREATH.

Impure breath is a common and disagreeable condition, and is often the result of constipation.

Many people, who are blessed with good teeth and, apparently, good health, are not conscious of how they offend others. Their breath is offensive. Their friends, unwilling to hurt their feelings, do not tell them. Cachous, deodorizers and chemical mouth washes only temporarily relieve. The trouble may be constipation.

When the system is poisoned by a constipated bowel condition, it is no surprise to find on awakening in the morning that the tongue is coated, the stomach out of order and a general "Don't care" disposition which takes a hold of you. Remedy this condition. Take **Carter's Little Liver Pills**. They are small and easy to take.

BAD COMPLEXION.

Pimples and sallow complexion, eyes with yellow tinge, often indicate a constipated condition. The bowels do not move regularly, waste matter accumulates in the intestines, and, if not eliminated, poisons develop and are absorbed by the blood, and skin eruptions many times appear.

Face creams, lotions and ointments fail to reach the

cause of skin eruptions, when due to constipation, as they only heal the surface.

Carter's Little Liver Pills assist Nature in moving the bowels. The waste matter passes, thereby expelling the poisons that would be absorbed by the blood.

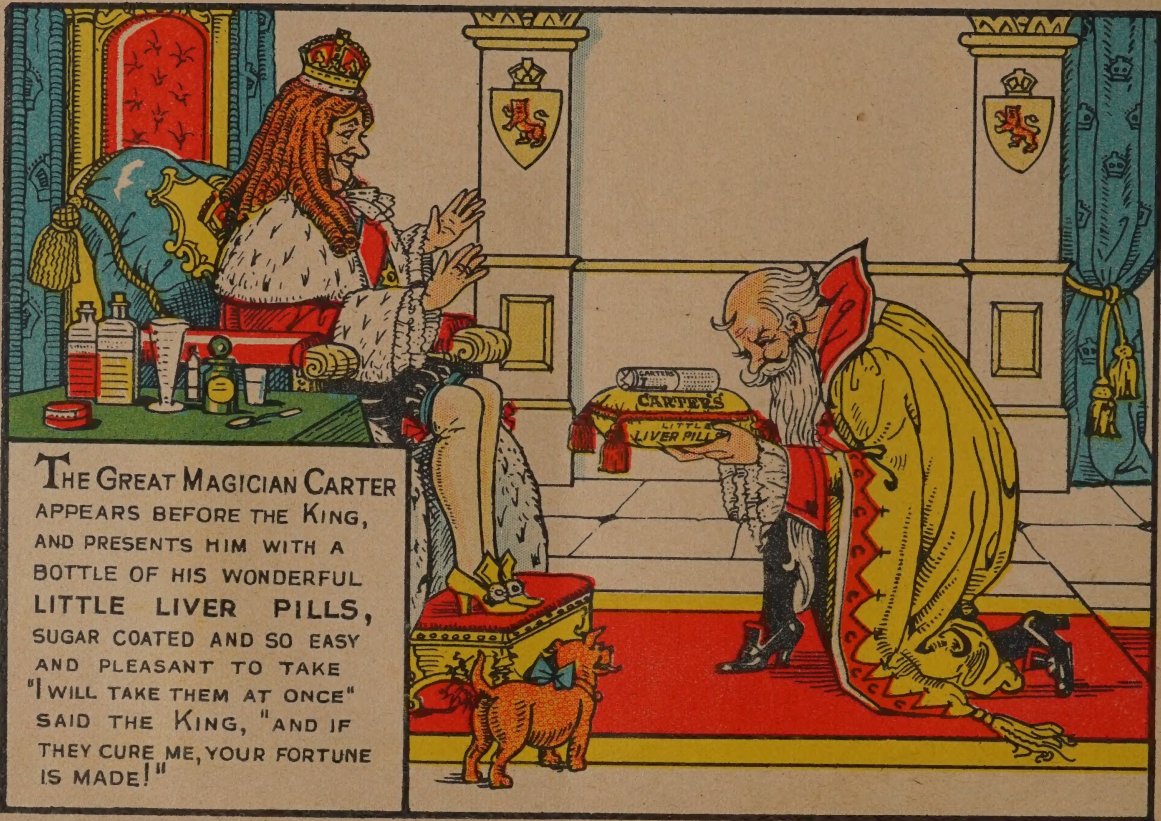

CONSTIPATION.

The accumulations of waste in the intestines (bowels) causes 95 per cent. of all human ills.

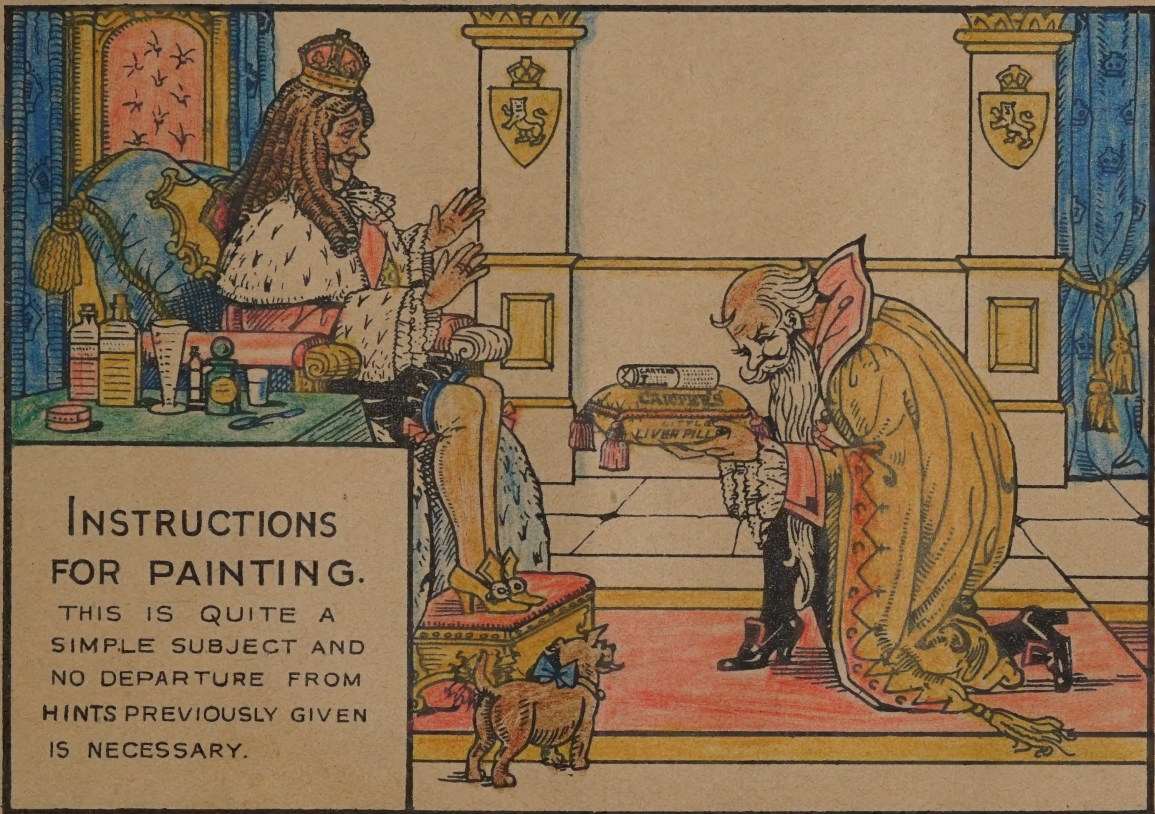

The **stomach—kidneys**—in fact, the entire human system, is kept in perfect order if the bowels move daily in a proper way. A delay on the part of the intestines in performing the digestive duty retards the movement of the bowels, causing "Constipation." The liver enlarges and becomes inflamed—the arteries harden and become rigid—the kidney cells are irritated by the poison that the liver can no longer destroy and Bright's Disease develops. Muscular pains, often mistaken for rheumatism, are but a poisonous condition of the system. Rheumatic Gout, too, is frequently brought on through chronic constipation.

The above are only a few of the many ailments that are directly traced to the results of constipation. Most of us are too busy and careless to heed nature's warning. Why delay—put off until it is too late—and then we purge—aggravate and irritate the intestines and bowels with a harsh and strenuous purgative, followed with severe griping and violent pains. High blood pressure is often relieved by keeping the bowels in a cleanly condition.

Carter's Little Liver Pills keep your bowels and liver and kidneys in perfect tune. Clogging waste matter is gently but surely expelled. Your bloodstream is cleansed and amazingly revitalized to carry new life and new energy to every part of your body!

THE GREAT MAGICIAN CARTER
APPEARS BEFORE THE KING,
AND PRESENTS HIM WITH A
BOTTLE OF HIS WONDERFUL
LITTLE LIVER PILLS,
SUGAR COATED AND SO EASY
AND PLEASANT TO TAKE
"I WILL TAKE THEM AT ONCE"
SAID THE KING, "AND IF
THEY CURE ME, YOUR FORTUNE
IS MADE!"
